

October Special Programs

InvestiGator

Come and join us at the Park during October for an exciting new program all about the American alligator! Investigator will be taught by our UGA Alligator Research Technician, Kristen Zemaitis, at 2pm in our Nature Center. This program will teach you everything you need to know about alligator biology, behavior, safety and current research.

InvestiGator October Programs Dates:

Saturday, October 14th

Sunday, October 22nd

Saturday, October 28th

Okefenokee Swamp Park
